1) Can you share a time in your life where you discovered that God's plan was drastically different than the one you envisioned for yourself or your family?

[Read Luke 19:28-44](#)

2) What's the significance of Jesus' arrival in Jerusalem on Passover?

3) What's the importance of Jesus' entrance on a donkey?

4) Why does Jesus weep as He approaches the city?

5) Why do some dreams and expectations have to die in order for God to bring in the new and unexpected?

6) Are you facing a challenge where Jesus is asking you to follow in His footsteps (Rom 8:17, 1 Pet 2:21) of humility and suffering servanthood?

Contrast things that you (in the flesh) think will make for peace vs. what Jesus thinks will make for peace in that situation.
