God's Design for Church Leadership - Titus 1:5-9

What does Paul tell Titus to do? What is of utmost importance for the success of the Gospel on the island of Crete according to the Apostle Paul?

The reason I left you in Crete was to set in order the remaining matters and to appoint elders in every town, as I directed you. (Titus 1:5)

Paul has a two-part charge to Titus in verse 5: 1) set in order what remains and 2) appoint elders in every city. Paul found the churches broken and twisted by apostasy (false teaching) and they needed to be realigned.

As an elder team and as a church, we get our nourishment from the head of our body, Jesus Christ. Our greatest desire is for Jesus to be given opportunities to lead, nurture and shepherd His church.

Our calling as elders and pastors is to equip the saints for the work of the ministry, that is, to build up the Body of Christ (Eph. 4:12). Our job is to hand over the ministry to you all.

If it's true that the role of the church leaders is to equip you for the work of the ministry, then what is your part? How can we pray for you and encourage you wherever you find yourself this morning?
