God's Design for Church Leadership pt 2  
Titus 1:5-9

- 1) Why do you think there is so much more focus on developing talents and gifts in people versus intentional character, inner life development?
- 2) From your experience, what pays a greater dividend - talent development or intentional character development?

Read Titus 1:5-9 in two translations.

- 3) Out of the 15 traits mentioned in Titus 1:5-9, how many of them would you categorize as a talent, personality trait or personal capacity?
- 4) As you survey these 15 traits, what stands out to you? Why? What questions do you have?
- 5) What happens when an elder/shepherd is significantly deficient in these areas? What's the impact on the church?
- 6) In your journey with Jesus, what advice would you give someone in the area of steps for intentional inner transformation and character development? What has made a difference in your life?
- 7) Can you share with the group any areas in your life you are asking God to enter into and transform?
