Paul's Instruction to Younger Women
Titus 2:4-5

1) What's the process you go through when the Word of God collides with the cultural norms of today?

Read Titus 2:4-5 in two different translations.

2) What parts of this passage may be offensive?

Why do you think it is so offensive to the culture we live in?

3) Why do you think Paul is going after such sensitive and personal areas?

4) How would you walk a newer believer through this passage? What has helped you personally in understanding this passage?

5) Has there been a time when an older woman has had to tell you to love your husband and love your children?

What was that experience like? Who instructed you and why were they credible in your life? Why did you listen?

How can we pray for our marriages tonight?
