**REGULAR HUB NOTES**

MONTH

- 1) Why do you think it is so easy to neglect our calling to make disciples?
- 2) In the busyness of preparing for 2020, have you found it difficult to consider discipleship as a priority?

[Read Matthew 28:16-20](#)

- 3) What stands out to you in these five verses?
- 4) Why do you think Jesus sandwiches the great commission between vs. 18 and vs. 20?
- 5) What happens to Christians and churches that don't embrace the fact that God wants us to go and make disciples?
- 6) What is keeping you from discipling or being disciplined or both in 2020? How can we pray for you?
