## DISCIPLESHIP

### HUB Notes: Paul's Ministry Method and Ours

*"So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us." (1 Thessalonians 2:8 ESV)*

---

**1. If you were talking with someone and the subject of discipleship came up and they asked you, "What is discipleship?" - how would you answer them in one or two sentences if . . .**

-they were an unbeliever?

-they were churched, but had never heard of discipleship?

**2. How have you personally experienced discipleship? (as either a discipler or a disciple)**

Talk about a time when you had a positive experience with discipleship. How did you feel for the next few days after that experience?

What surprised you most when you entered into a disciple making relationship with someone else?

**3. What are some key elements that you feel should be included in discipleship? What are some words you feel must be included?**

**4. On Sunday Matt said, "Obviously the Holy Spirit was powerfully at work in those handful of weeks (when Paul and his partners built a church), but the real question is - how did Paul and his partners join with the Holy Spirit to have such an impact? How did they participate in the work that God was doing?"**

**5. What are three ways we as a church could cooperate even more with the Spirit in discipleship at COD?**

**6. What is one change you feel the Lord wants you to make in your life (schedule, priorities, preparation, hospitality, etc.) to be more available to the disciple making process?**

**7. Is there one person we could put on a prayer list that you would like to build a disciple making relationship with?**

We could pray through the list and receive your report every week.
